

After a very long search process to choose the right partner to represent Charter Arms products in Germany, we are very happy to announce that Highland Arms fills this void perfectly. We look forward to a long and prosperous relationship that will see us well represented in the German marketplace.

Please look for us at the IWA Outdoor Classics 2020 show and stop by and say hello and check out our great 100% American made line!

A stylized, cursive handwritten signature in black ink, consisting of several loops and a long horizontal tail.
